

ECO CALF FINISHER PELLETS

PRODUCT DESCRIPTION:

Eco Calf Finisher uses quality ingredients to enhance early rumen development and with vitamin and mineral premix.

Eco Calf Finisher is highly palatable with high levels of Molasses and flavouring to drive early intakes.

FEEDING RECOMMENDATIONS:

Eco Calf Finisher has been formulated to help your calves grow. Pellets can be introduced from day 1 and fed through to 12 weeks of age. Calves can be weaned when consuming 1kg of Calf Grower pellets up to 12 weeks of age at 1-2kg/head/day. Ensure that clean, fresh water is available at all times. Stale, uneaten feed is removed daily. Calves have access to suitable forage such as straw, hay or pasture.

STORAGE AND HANDLING :

Like all feedstuffs, Eco Calf Finisher Pellets should be stored dry, in bulk bins or placed on cement slabs, away from vermin and covered and protected from the weather accordingly.

INGREDIENTS SELECTED FROM:

Barley, Wheat, Wheat by-products, Soybean Meal, Palm Kernel, Molasses, Limestone, Salt, Di-Calcium Phosphate, Deccox 6%, Artificial Sweetener, Calf Premix.
