

CALF GROWER 20% PELLETS

PRODUCT DESCRIPTION:

Calf Grower 20% has been formulated for those with restricted grass or poor quality forages where more protein is required. Using quality ingredients to enhance early rumen development, these pellets come with a premium health package for boosting calf gut health and their immune system.

WSF Calf Grower 20% contains a pre and probiotic pack including:

- **Yea-Sacc®** - to boost appetite and feed intakes, enhances rumen development. Also allows earlier weaning and delivers faster growth
- **Actigen®** - for overall gut health and to help prevent scours caused by E-coli, Salmonella or cryptosporidium
- **Bioplex® Organic Trace Minerals** - to boost the calves immune system and help minimise disease
- **Full Vitamin Pack** - Including vitamins A, D, E as well as B group vitamins namely B1, B2, B3, B5, B6, B9, B12, Biotin and Choline
- **Bovatec 20cc** - to protect against coccidiosis

FEEDING RECOMMENDATIONS:

WSF Calf Grower 20%. These 20% crude protein pellets can be introduced from day 1 and fed through to 12 weeks of age. Calves can be weaned from milk when consuming 1kg of Calf Grower pellets up to 12 weeks of age at 1-2kg/head/day. Ensure that clean, fresh water is available at all times. Any uneaten feed should be removed daily and calves should have access to suitable forage.

INGREDIENTS SELECTED FROM:

Barley, Wheat, Wheat by-products, Soy Bean Meal, Copra Meal, Palm Kernel, Molasses, Limestone, Salt, Di-Calcium Phosphate, Alltech Calf Pak®, Bovatec.
